## WELCOME!

Welcome to the 1st issue of the CFYDDI newsletter! It has been 3 months since we launched our new community public library in Gayaza, Ndazabazade in Wakiso District and it has been a great success. We would like to thank all the individuals and organizations who have helped make this happen, by donating their time, books, resources and some equipment.

The library now has over **260** regular users from **23** neighbor-

Kasangati health centre IV in May. We have had a volunteer

ing schools and due to popular demand, we are now open all day Saturday too! We were visited by senior medical officer Dr. Zziwa Martin Luther from

from America, working on our new website and two medical students volunteering at the library as part of our new electives programme.
